## RESEARCH FELLOWSHIPS TO JAPAN

The **Canon Foundation in Europe** offers research grants to highly qualified European and Japanese researchers who obtained at least their Master's degree within the last ten years. This is the minimum requirement.

Non-nationals should have permanent citizenship in either Europe or Japan.

We welcome applications in **all** fields of research. Successful European applicants should carry out their research in Japan and Japanese must do their research in Europe.

Fellowships are awarded for minimum three months to maximum one year.

Financial support for Fellows ranges between 22,500 to 27,500 Euros per year and pro-rata for different periods.

Please visit our website for our online application form, noting that the deadline is **15 September**. Please also note that all correspondence and applications should be made in English!

We invite your institute to make a link to our site and if you are not the appropriate person to distribute this information, please drop us an email at [foundation@canon-europe.com](mailto:foundation@canon-europe.com) and tell us where we can redirect the poster to.
