# Wireless **S**ensor Networks **S**chool

Powered by IEEE CAS SOCIETY

15-18 December 2016 at KEDEA

Aristotle University of Thessaloniki

## TOPICS

- 15 Dec. "Sensors and transducers" and "Sensor signal conditioning circuit design"
- 16 Dec. "Design of wireless communication unit" and "Introduction to WSN Protocols"
- 17 Dec. "Energy harvesting"
- 18 Dec. Introduction on LabView

## Organisers

Laboratory of Electronics, Department of Physics

Laboratory of Electronics, Department of Electrical & Computers Eng.

## Sponsored by

## Industrial Supporters
