

## University Postgraduates Program at Beihang University Supported by the Chinese Government Scholarship

### A Full Time and Full Scholarship Program

International students, who wish to study for a Master's Degree or Doctoral Degree at Beihang University (BUAA), are welcome to apply for the **University Postgraduates Program at Beihang University** sponsored by the Chinese Government Scholarship. The University Postgraduates Program at Beihang University is a full time program with full scholarship, covering tuition fee, accommodation, living allowance, normal medical service, comprehensive insurance, etc., except for international travel expenses. The program will start in early September 2016 and the study period is 2 to 3 years for the master's program and 3 to 4 years for the doctoral program.

### Qualification

For the master's program, the candidates should have a bachelor's degree and be under the age of 35; for the doctoral program, the candidates should have a master's degree and be under the age of 40. Applicants should have good command of English or Chinese and be able to take courses in English or Chinese. **Applicants should be aware that fields of study sponsored by the University Postgraduate Program do not cover Chinese, English and any other language studies.**

### Application Documents Required

All documents should be in English or Chinese or provided with translations in English or Chinese.

1. Application Form for Chinese Government Scholarship;
2. Highest degree certificate (notarized photocopy or original one) or certificate of expected graduation date issued by the applicant's university;
3. Notarized or original academic transcript;
4. A study or research plan (no less than 500 words);
5. Two letters of recommendation from professors or experts;
6. The results of TOEFL, IELTS or HSK (Chinese Proficiency Test), or other English/Chinese proficiency certificates;

## Introduction of Beihang University

Beihang University (also known as BUAA or Beihang), located in Beijing, was founded in 1952. It is currently a member of China's Project 211, Project 985 and Project 2011, which aim to develop world class universities in China and build their innovative capacity. Today, Beihang has developed into a leading research university in terms of the quality of its teaching programs, research undertaken and the attainment of its scholars.

At present, Beihang has over 28,000 students. Some 15,300 of them are undergraduates while the rest are postgraduates. Around 2000 international students from more than 100 countries are studying at Beihang. Among them over 800 are studying for degree programs. All courses at Beihang University at the postgraduate level can be given in English.

Beihang University - one of the most renowned universities in China – is equipped with advanced laboratories and teaching facilities. The university campus is located close to Beijing's High-Tech Park area – Zhongguancun Science Park and it is noted for its attractive environment, convenient location and comprehensive services to support the needs of students.
