

# Konstantinos Siampos

School of Physics,  
Aristotle University of Thessaloniki,  
54124 Thessaloniki, Greece

☎ +30 2310 998 064

☎ +30 697 20 79 325

✉ ksiampos@auth.gr

Date of birth: 05/09/1981, Greek Citizenship

---

## Academic Positions

May 2024 **Tenured Track Assistant Professor**, *Laboratory of Theoretical Physics*, School of Physics,  
Present Aristotle University of Thessaloniki, Thessaloniki

---

## Research Positions

Oct 2019 **Post-doctoral researcher**, *Section of Nuclear and Particle Physics*, Department of Physics,  
Dec 2023 National and Kapodistrian University of Athens, Athens

Oct 2017 **CERN fellow**, *Theory division*, CERN, Geneva

Sep 2019

Oct 2014 **Post-doctoral researcher**, *Albert Einstein Centre for Fundamental Physics*, Institute for  
Sep 2017 *Theoretical Physics*, University of Bern, Bern

Oct 2012 **Post-doctoral researcher**, *Mécanique et gravitation*, Université de Mons, Mons

Sep 2014

Oct 2010 **Post-doctoral researcher**, *Le Centre de Physique Théorique*, École Polytechnique, Palaiseau  
Sep 2012

---

## Education

Jun 2005 **PhD in Theoretical and Mathematical Physics**, *Department of Engineering Sciences*, Uni-  
Sep 2010 *versity of Patras*

Oct 2003 **Master in Theoretical and Mathematical Physics**, *Department of Physics*, University of  
Jun 2005 *Patras*

Sep 1999 **Bachelor in Physics**, Department of Physics, University of Patras

Oct 2003

---

## Main research areas

Conformal field theories and integrable models, Fluid/gravity correspondence, Gauge/gravity duality.

---

## Publications and impact of research work:

Full list For an updated full list of publications with citation statistics, please click here: [inSPIREHEP](#)

Journals 52 peer-reviewed publications, number of citations  $\approx$  1680, h-index=24

Proceedings 6 publications

Invited 70 times in seminars and in international conferences.
